Embed Url
From Google Drive

STEP 1

Right click on the file and select Get Shareable link

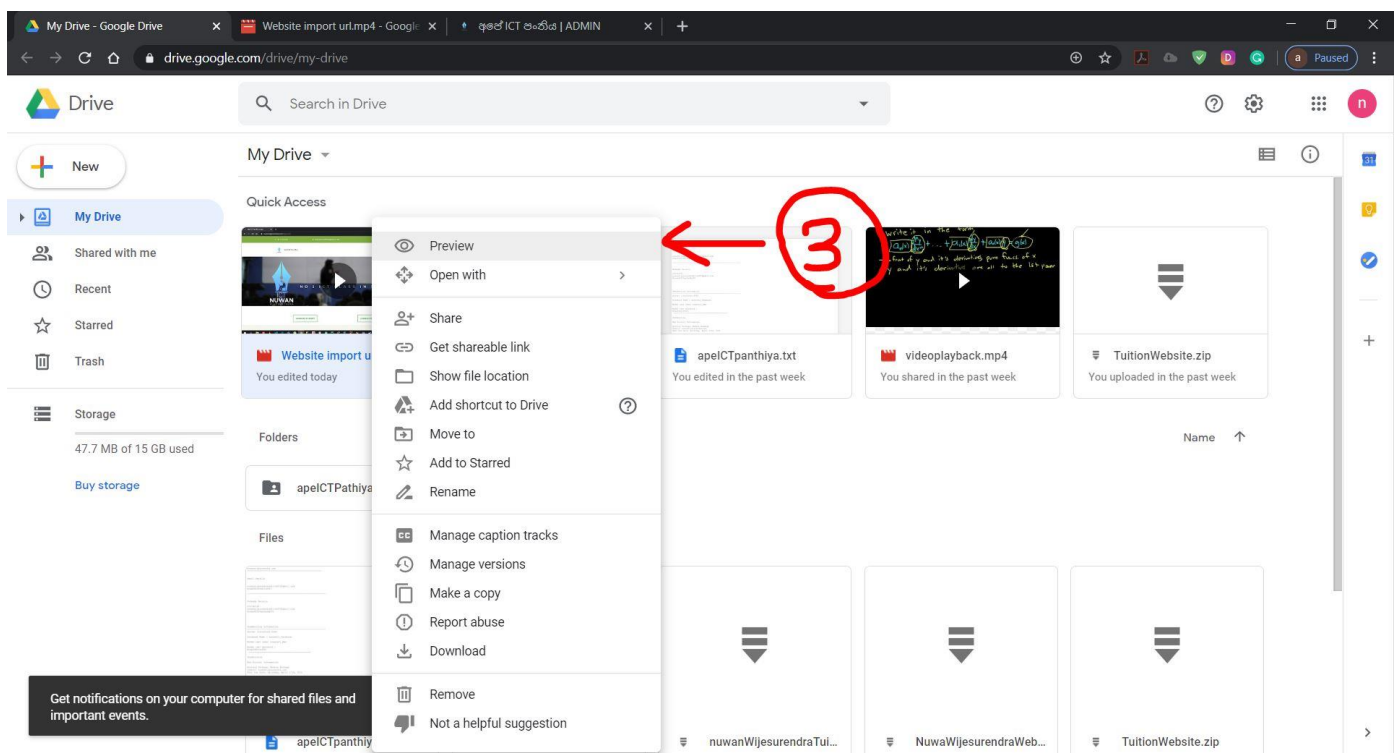

STEP 2

Turn on the link sharing

The screenshot shows the Google Drive web interface. On the left sidebar, the 'My Drive' section is selected. In the main content area, a context menu is open over a folder named 'apelCT'. The menu options are 'Link sharing on', 'Anyone with the link can view', 'https://drive.google.com/open?id=1eNWlihc', and 'Sharing settings'. A red arrow points from a red circle containing the number '2' to the 'Link sharing on' toggle switch, which is currently turned off. Below the context menu, a notification banner reads 'Get notifications on your computer for shared files and important events.' with a 'TURN ON' button. The top of the browser shows the address bar with 'drive.google.com/drive/my-drive' and several open tabs.

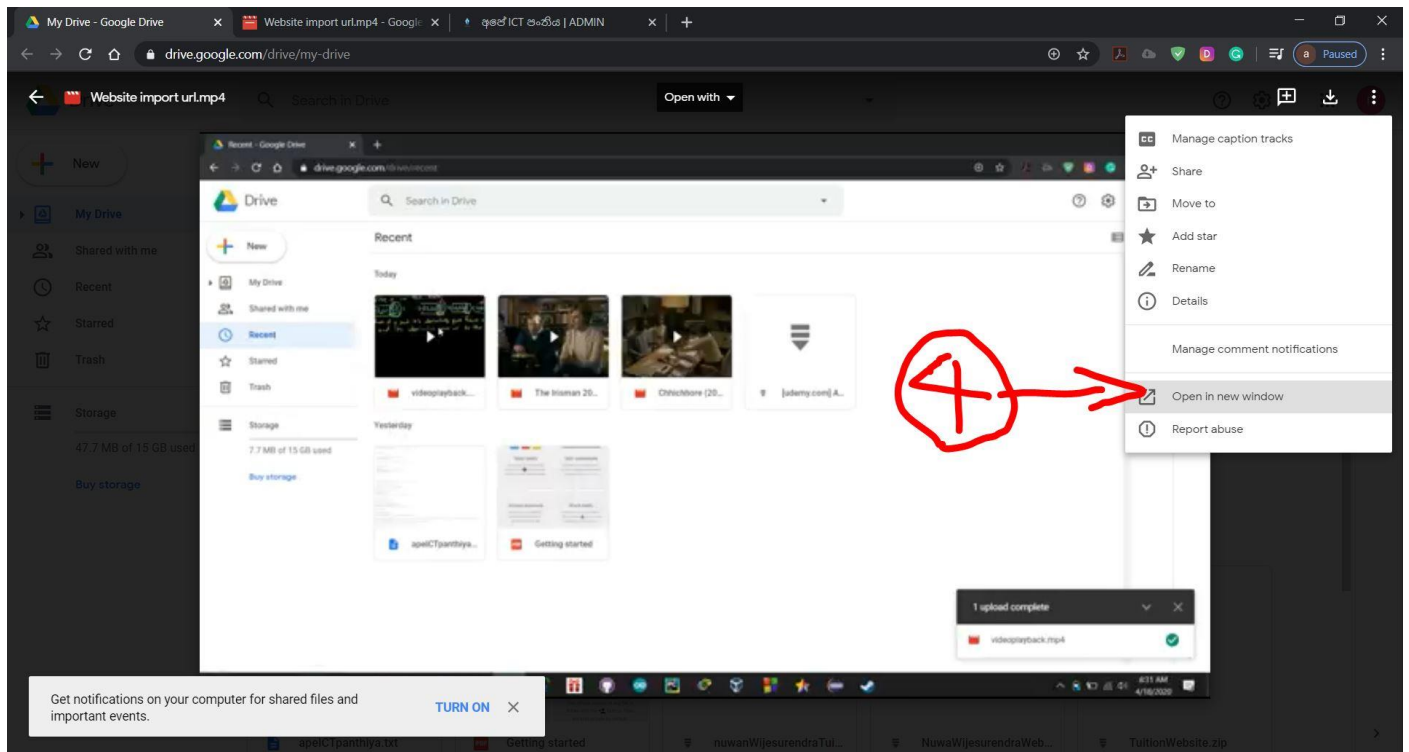

STEP 3

Now again right click the file and select preview

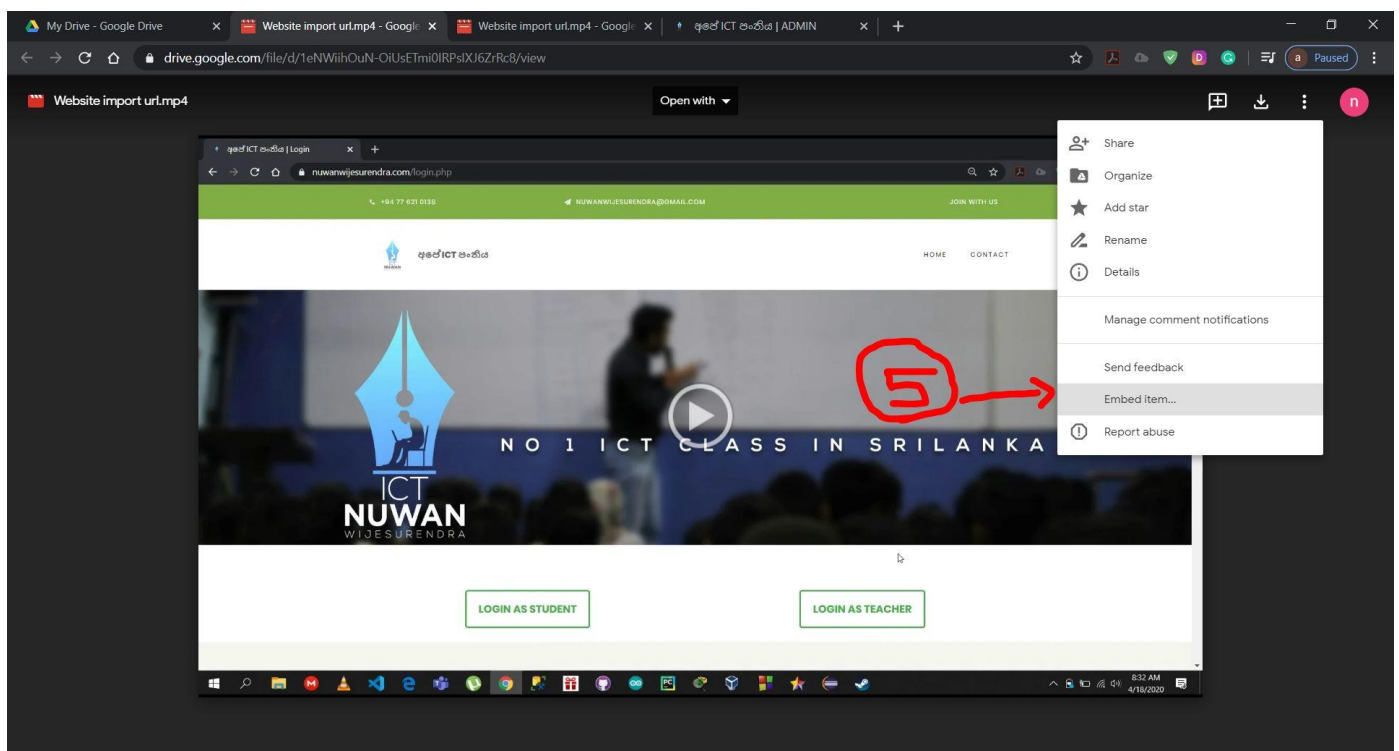

STEP 4

Now click on the **Open in new window** option

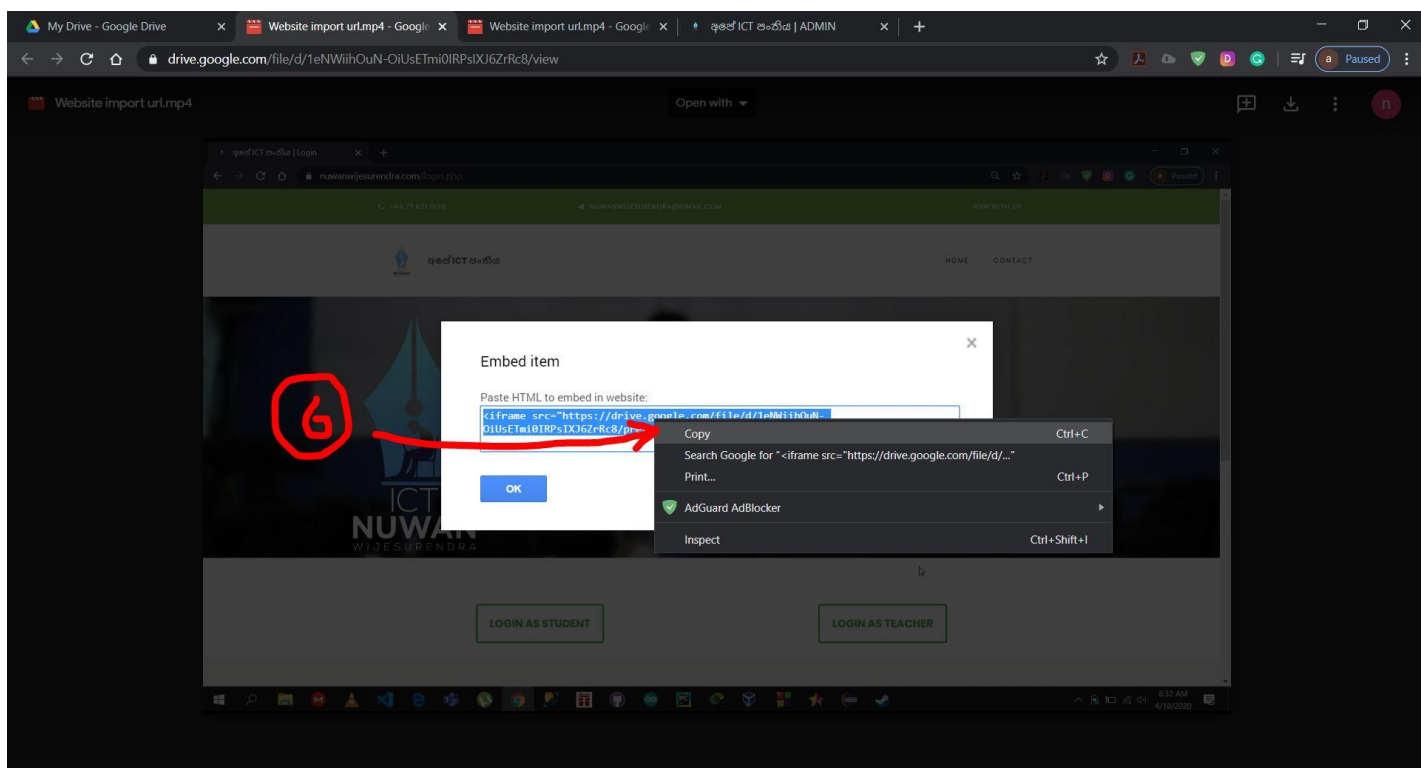

STEP 5

Select Embed item

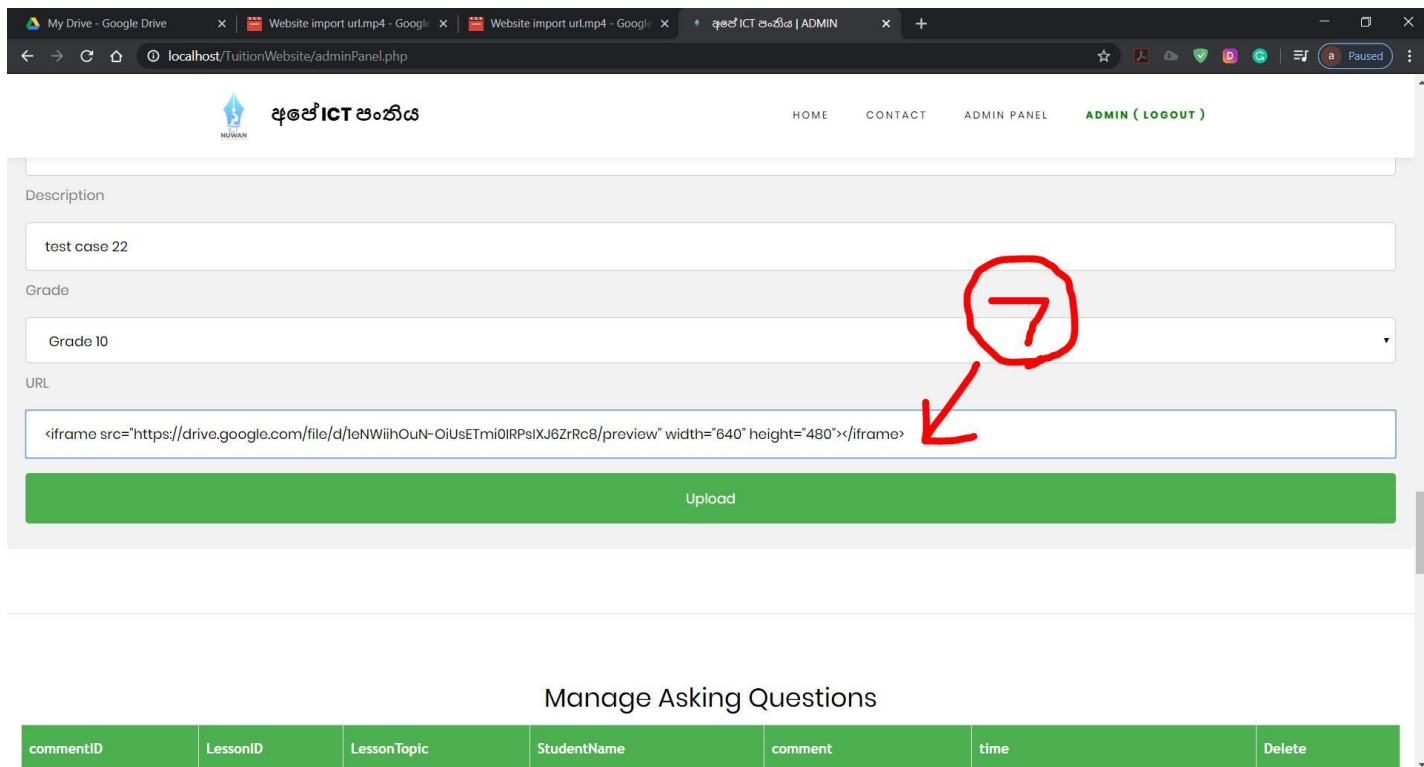

STEP 6

Copy url

STEP 7

Paste it into the URL input

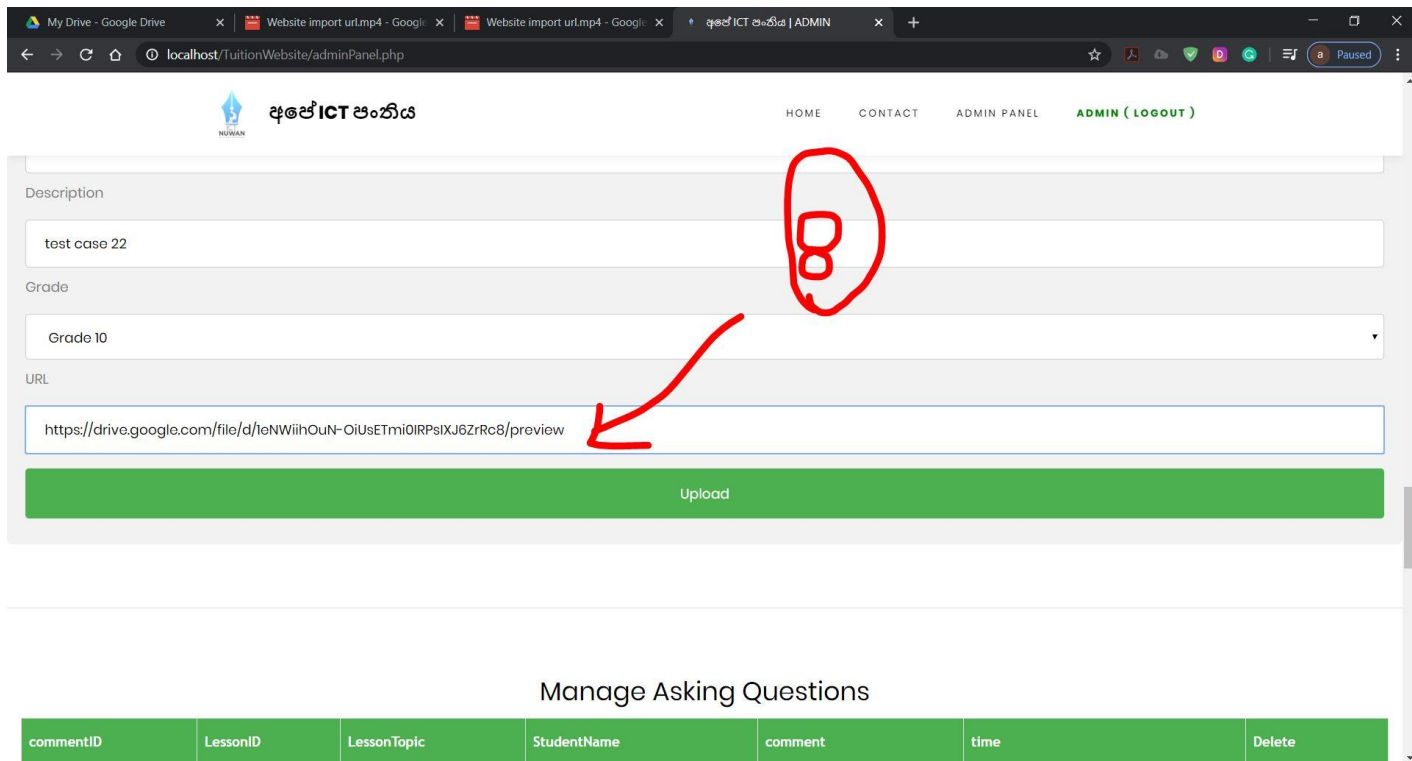

The screenshot shows a web browser window with the address bar displaying `localhost/TuitionWebsite/adminPanel.php`. The page header includes a logo and the text "අමෙ ICT පාඨය" (Ameth ICT Pathaya), along with navigation links: HOME, CONTACT, ADMIN PANEL, and ADMIN (LOGOUT). The main form contains three input fields: "Description" with the value "test case 22", "Grade" with the value "Grade 10", and "URL" with the value `<iframe src="https://drive.google.com/file/d/1eNWiihOuN-OiUsETmi0IRPsIXJ6ZrRc8/preview" width="640" height="480"></iframe>`. A red circle with the number 7 and an arrow points to the URL field. Below the form is a green "Upload" button. At the bottom of the page, there is a section titled "Manage Asking Questions" with a table containing columns for commentID, LessonID, LessonTopic, StudentName, comment, time, and Delete.

commentID	LessonID	LessonTopic	StudentName	comment	time	Delete
-----------	----------	-------------	-------------	---------	------	--------

STEP 8

Remove the unwanted thing in that url and finally click on the upload button

The screenshot shows the Admin Panel of a website. The URL field contains the text: `https://drive.google.com/file/d/1eNWiihOuN-OiUsETmi0IRPsIXJ6ZrRc8/preview`. A red circle highlights the number 8 in the URL, and a red arrow points to it, indicating the step to remove it. Below the URL field is a green "Upload" button.
