Disabled
Download option
for other users

Go to your google drive and upload your video file(mkv or mp4)

**Now we are going to disable download option. Your own account can download the but others cant**

## STEP 1

Right click on the file and select Share

STEP 2

Click on the Advanced

STEP 3

Then you get a window like below.

STEP 4

Tick both check boxes

STEP 5

Finally click on the Save Changes button
